

# ZUMTOBEL Group

For the **Zumtobel Group** in Dornbirn, we are looking for a

## Trainee – Research & Development (m/f/x)

The Zumtobel Group is an international lighting group and a leading supplier of innovative lighting solutions, lighting components and associated services. With its core brands, Zumtobel, Thorn and Tridonic, the Group offers its customers around the world a comprehensive portfolio of products and services.

### Enlighten your career and realize your full potential

Our **Global Traineeship Program** offers you the opportunity to enter the world of the **Zumtobel Group**. As part of the **trainee community**, you will get to know various departments and learn where you can actively **shape the future of light**. Accompanied by **experienced mentors** and **individual development measures**, the program is the ideal entry into an **international company with an open and respectful culture**. Apply and become an active part of our company with **start in Autumn 2023**.

#### Your job

- 18-months Traineeship Program in the area of Research & Development with a focus on Innovation and Pre-Development
- Participation in new product development in several product segments concept development and industrialization. Where topics like light design, optics, electronics, material science and connectivity & controls are extremely relevant
- You will be actively involved in cross-divisional projects, partly without supervision

#### Your profile

- Bachelor's or Master's degree in a technology oriented field, STEM background or alternatively innovation management
- Strong interest and affinity in data analytics and digital tools
- Ideally, you have gained first professional experience in an international company
- Open-minded and proactive
- Perfect English skills and one other language  
German language skills are beneficial

#### The Zumtobel Group Traineeship benefits:

- **Mentoring program** with individual support
- Participation in **various trainings** organized by our People Development Department
- **Assignment** at one of our **worldwide locations**, where you will get to know the local processes and expand your company-wide network
- **Excellent opportunities** for your advancement in the Zumtobel Group

**We look forward to receiving your application.**

**Deadline for applications: End of May 2023**
