

For **Tridonic**, a member of the Zumtobel Group in Dornbirn, we are looking for a

Trainee – Research & Development Tridonic (m/f/x)

The Zumtobel Group is an international lighting group and a leading supplier of innovative lighting solutions, lighting components and associated services. With its core brands, Zumtobel, Thorn and Tridonic, the Group offers its customers around the world a comprehensive portfolio of products and services.

Enlighten your career and realize your full potential

Our **Global Traineeship Program** offers you the opportunity to enter the world of the **Zumtobel Group**. As part of the **trainee community**, you will get to know various departments and learn where you can actively **shape the future of light**. Accompanied by **experienced mentors** and **individual development measures**, the program is the ideal entry into an **international company with an open and respectful culture**. Apply and become an active part of our company with **start in Autumn 2024**.

Your job

- 18-months Traineeship Programme in the area of Research & Development (Tridonic) with a focus on innovation and pre-development of our lighting products
- Participation offered into the whole product development lifecycle from conception phase to launch. Where topics like power electronics, wireless controls, sensor technology, AI and data analytics, physical simulation, digital twins and innovation management play a big role.
- You will be actively involved in cross-divisional projects, partly without supervision

Your profile

- Bachelor's or Master's degree in a technology-oriented field, any of the STEM studies or innovation management
- Strong interest in innovation and new technologies
- Ideally, you have gained first professional experience in an international company.
- Open-minded and proactive
- Perfect English skills and one other language. German language skills are beneficial

The Zumtobel Group Traineeship benefits:

- **Mentoring programme** with individual support
- Participation in **various trainings** organized by our People Development Department
- **Assignment** at one of our **worldwide locations**, where you will get to know the local processes and expand your company-wide network
- **Excellent opportunities** for your advancement in the Zumtobel Group

Apply and become an active part of our company, starting **in Autumn 2024**. Here you can find more information about the [Trainee Programme](#).
