

For the **Zumtobel Group** in Dornbirn, we are looking for a

Trainee – Finance (m/f/x)

Enlighten your career and realise your full potential

Our **Global Trainee Programme** offers you the opportunity to enter the fascinating world of light with the **Zumtobel Group**. As part of this **Trainee Programme**, you will get to know different areas within our Corporate Finance department and learn where you can actively **shape the future of light**. Accompanied by **experienced mentors** and **individual development measures**, the programme is the ideal start of your career in an **international company** where sustainability, innovation and the passion for light is at the heart of what we do.

Your job

- A thorough introduction phase in which you will get to know the company and the basics of our industry
- Working in the day-to-day business you will gain a broad overview and understanding of a Corporate Finance department
- Focus area will be the controlling departments, in addition you will get deep insights into the accounting, pricing, treasury and investor relations areas
- Gaining insights into the key figures relevant to corporate management, preparing analysis and assisting in the preparation of decision-relevant documents for the management
- Contributing to the further development of the operative core processes of the respective departments and thereby gaining comprehensive insights into the cross-functional cooperation of the divisions
- Building a network beyond the department by collaborating in cross-divisional projects
- An international assignment in one of our global locations
- Rotation of working areas and projects during the programme

Your profile

- You have a Bachelor's or Master's degree in economics with a focus in finance and controlling or equivalent
- You have ideally gained first professional experience in an international environment
- You have a strong interest in finance, digital tools and technologies
- Your analytical skills allow you to quickly recognise correlations and you are able to present your own solutions convincingly
- You have a high affinity for IT and above all very good knowledge of Excel, experience in dealing with SAP (CO, FI, BW) is an advantage
- Your style of work is characterised by accuracy and independence combined with exceptional communication and organizational skills
- Your curious mind and positive attitude help you to continuously grow yourself and people around you
- You have the courage to step out of your comfort zone and your pro-activity is allowing you to be ahead of others
- You have excellent English skills and speak one more language fluently, German language skills are an advantage

ZUMTOBEL Group

What you can look forward to

- Individual development plan that meets your needs
- Strong mentoring programme with individual support
- Participation in various trainings and development activities
- Assignment at one of our worldwide locations
- Exposure to senior leaders, exciting projects, working with diverse teams
- Opportunity to take over responsibilities when you are ready
- Open and people-centric company culture
- Excellent opportunities for your advancement in the Zumtobel Group

Apply and become an active part of our company with **start in Autumn 2023**.
